Oil Painting**

Watercolor & Oil Painting

NEEDED ITEMS

Cardstock
Watercolors
Clear oil

Pipettes
Deep pan or tray
Paint tray or cups

DIRECTIONS

Place paper in pan or tray. Use pipettes to add oil and watercolors to paper in any order. Place paper to dry for 24 hours and watch how it changes over time!

Youngsters practice fine motor skills by squeezing pipettes, explore color mixing, and discover the relationship between oil and water!
